Publications of the Commonwealth Bureau of Census and Statistics

Prepared under instructions from The Right Honourable the Treasurer by

K. M. ARCHER

COMMONWEALTH STATISTICIAN

(PRELIMINARY)

COMMONWEALTH BUREAU OF CENSUS AND STATISTICS

CANBERRA, AUSTRALIA

APRIL 1967

Publications listed on pages 13 to 22 comprise all Central Office current and recent publications. They are grouped into *General Publications* and *Other Publications*, and a separate group of *Population Census Publications* is added.

General Publications contain statistics on all major topics. They are, in the main, printed publications which contain statistics on a wide variety of subjects.

Other Publications comprise reports, bulletins, statements, surveys, etc., which deal mainly with particular fields or subjects, and are listed alphabetically according to topic. They are of three kinds.

- (i) printed publications (mainly annual) containing detailed tables of the main statistics collected;
- (ii) supplementary publications in mimeographed form (triennial, annual, half-yearly, quarterly, and monthly) which advance the statistics contained in (i), provide further detail, or issue new statistics;
- (iii) preliminary reports of special surveys or censuses, such as the Population, Retail Trade and Motor Vehicle Censuses in mimeographed form.

Population Census Publications have been issued in respect of each Commonwealth Census taken from 1911 to 1966, namely 1911, 1921, 1933, 1947, 1954, 1961 and 1966. Only the publications issued for the 1961 and 1966 Censuses are listed in the following pages, but details of publications for earlier Censuses are available on request. The issue of final results of the 1961 Census in printed form is almost complete, while preliminary figures from the 1966 Census are currently being issued in mimeographed form.

Publications of the *Census of Retail Establishments and Other Services* and the *Census of Motor Vehicles* are listed respectively under the heading of Retail Trade and Transport and Communication.

Frequency of issue is indicated as follows:

<i>tri</i> - triennially	<i>m</i> - monthly
<i>a</i> - annually	<i>irr</i> - irregularly
<i>h y</i> - half-yearly	<i>occ</i> - occasionally
<i>q</i> - quarterly	

The *most recent issue* of each annual publication is shown in parenthesis.

Prices, where applicable, are shown in parentheses after the number and year of issue—in order, price excluding postage, and price including postage in Australia.
